WE DID IT! THANKS TO MANY YEARS OF HARD WORK AND ALL OF YOUR SUPPORT, KMAC MUSEUM RECEIVED ACCREDITATION FROM THE AMERICAN ALLIANCE OF MUSEUMS!

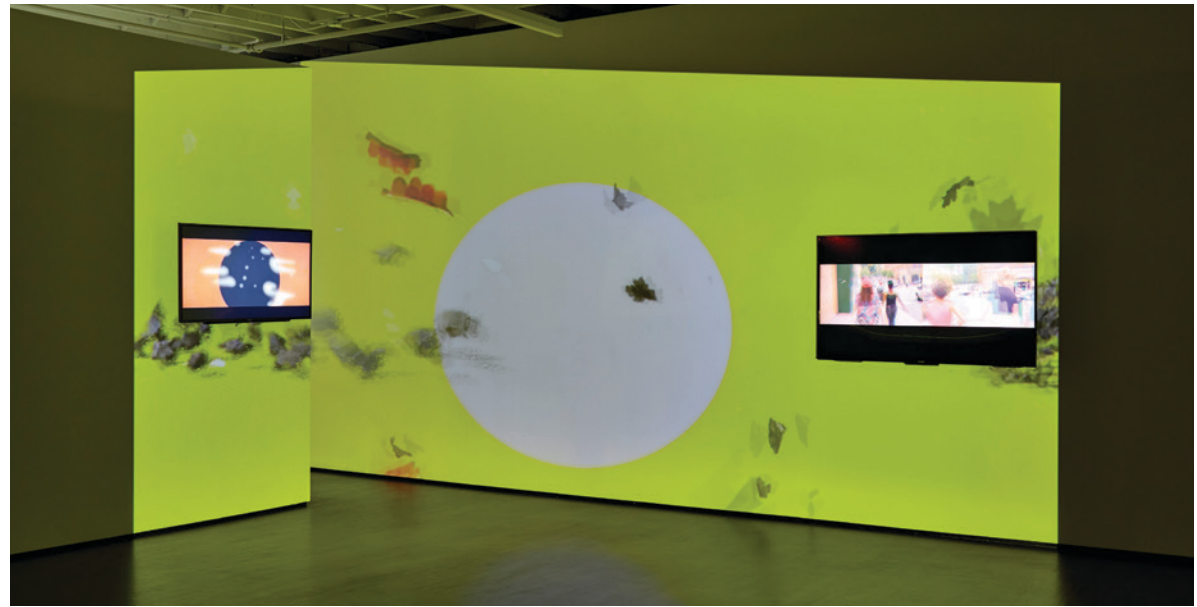

We are only the seventh institution in the state of Kentucky to achieve accreditation, the highest level of national recognition available to American museums. The accreditation process was rigorous, but its in-depth examination of all aspects of the museum's operations provides our donors, museum members, and the local museum-going public with the assurance that KMAC is using every dollar donated in a thoughtful and transparent way to support our mission.

KMAC Museum was thrilled to be selected as a Best of Louisville honoree this year for our signature mission-related fundraiser, KMAC Couture: Art Walks the Runway. **Couture 2019 was our largest & most successful event yet, with over 750 guests closing down Main Street as 49 designers showcased 61 pieces of wearable art.** With artist submissions & attendance continuing to break year-over-year records, Couture continues to serve as a flagship event for KMAC and a visual representation of our commitment to connecting people to art & the creative process.

Thanks to the generosity of Brook & Pam Smith, KMAC was able to offer free admission to our contemporary art exhibitions featuring both local & international emerging talent, while offering over 20 hours a month of free programming, from our weekly Tiny Art Tales for the youngest art lovers to monthly offerings like KMAC Poetry Slam. All the while, KMAC educators were serving the local community through field trips, mobile museums, on- and off-site art activations, and Family Fun Days. We look forward to continuing to champion art as the big idea for another year to come.
